Is there any particular shape and colors you would prefer? The size of the cookies will be up to 3 inches. If you would like to provide a cutter that is within 3 inches to use you may, otherwise the bakery will use a circle or a square cutter.

2 colors are available. (Red, Orange, Yellow, Green, Blue, Violet, Black, and White)

If chosen, how will you advertise the fundraiser?

Guidelines/Requirements:

- We ask that 1 or 2 volunteers come in on Mondays to help for 1-2 hours each week to help bag the cookies for the bakery.
- When your organization is chosen please provide advertising to place next to the cookies such as business cards, pamphlets, or brochures.
- We will try to match your colors that you have chosen. Due to the size of the cookie we can't write words out, or do fine intricate detailing.
- Each week depending on sales from the previous week we will make and decorate a maximum of 10 dozen cookies. So each month your Organization will be able to sell up to 40 dozen cookies.
- Your organization will make \$2.50 profit per cookie.
